Our students in Germany with our
Founder Mahapavit Singh Anand

www.gostudyfree.com

Why Germany

- No tuition fee
- Vacancies for 10 Lac Engineers & IT professionals
- Average salary Rs. 50 Lacs
- World's best technical Universities
- 1.5 years visa extension after course completion
- Only country offering internships in almost every program leading to full-time placements after course completion
- Easily manage your living expenses through part-time jobs

How easy/difficult is to learn German language?

- Knowledge of English is a huge advantage while learning German. Even students from China, Korea, Japan and Arabic countries, whose entire education has been in their local language, are able to study successfully in Germany in German language.
- In technical programs language is hardly used. Thus it really does not make a difference whether you study in German or English
- When Indian students can learn English at the age of 5. They can easily learn German at the age of 17 to 21.
- German language training methods in Germany are such that even a slow learner could cope if he/she shows discipline in learning.

Why us

- Admission possibilites in any of the 330 German Universities
- Only organization in India to provide money back guarantee for admission in German Universities
- Guaranteed admission in TU9 (World's top German Universities)
- Job assistance in Germany
- Complete range of expert services from admission to loan to visa to job to permanent residency & much more.
- Unmatched expertise in German education

German language training

	In India	In Germany
Time taken to reach C2 level German language (Compulsory for full-time jobs in Germany)	Upto 3 years	Only 9 months. Thus you save over 2 years.
Faculty	Indian	German
Easier to learn	No	Yes as advanced German language training methods are used and no one can teach German better than native Germans
Possibility of visiting Universities, meeting students and Professors for choosing most suitable University program for your career	Not possible	Yes students can get firsthand information on most suitable University programs for making best decision regarding their career
Teaching hours	60-80 hours per level	180 hours per level. Thus, better quality of training

Testimonials

I wanted to apply to Germany for my Masters and had researched about the Colleges and Programs but it wasn't sufficient when I started looking for study abroad consultants that could guide me, where I came across Gostudyfree. The people at Gostudyfree were really helpful and guided me through every step of my admission procedure. They handled every issue I had and supported me in every way. From language classes to admission to bank loan to visa, they were there to make sure I got the best opportunity. I am glad that I came to them, it was the best way to go.

- Abhishek Nair

Mr. Anand is a gentle, helpful and genius Businessman, I am thankful for his guides and directions, that made me what i am presently.

Hoping to have Mr. Anand's time in future too.

- J.S Brar
